Part II.

SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

The examiner called (603 226 7490 a number found from public record) to verify why applicant has not submitted a current mailing address and/or a current working phone number, since the Patent Office has undelivered mails returned back multiple times and the Office database shows the current office action being abandoned. The applicant confirmed that they will update the address information in the PTO database.

Part III.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
